

Hi There,

Thank you for downloading Mantis for your project.

For a quick start, please check our Documentation here: [Documentation - Mantis MUI React \(gitbook.io\)](#)

Reach out to our support panel for any further query: [CodedThemes Help Desk](#)

If you are satisfied with our product, please help us write product reviews here: [Mantis React - MUI Store](#). Your review can motivate us to improve Mantis.

Happy coding!

Regards,
